

## AIDAA Conference

The AIDAA Conference is the biennial conference of the Associazione Italiana di Aeronautica ed Astronautica. The AIDAA Conference brings together an international community of academics and industry professionals to discuss the latest findings in aeronautics and astronautics sciences and technologies. The AIDAA 2017 technical program will comprise several types of presentations in plenary and parallel sessions, keynote speeches and minisymposia, tutorial sessions, and round tables along with exhibits.

## Organizing Committee

Prof. Giuseppe Davì  
*Chair*

Prof. Giovanni Tesoriere  
*Co-Chair*

Prof. Caterina Grillo  
*Secretary*

Prof. Alberto Milazzo

Prof. Ivano Benedetti  
*Treasurer and Scientific-Logistic Coordinator*

Prof. Andrea Alaimo  
*Scientific-Logistic Coordinator*

Prof. Calogero Orlando  
*Communication Coordinator*

Dr. Antonio Esposito

in collaboration with AIDAA secretary

## Conference Venue

The AIDAA 2017 International Conference will be held on September 18-19 at the Polytechnic School of the University of Palermo and on September 20-22 at the M.A.R.T.A. Centre - Mediterranean Aeronautics Research & Transportation Academy of the Kore University of Enna.

\* no excursion, no dinner

UNIVERSITÀ DEGLI STUDI DI ENNA KORE

**Call for Papers**

Papers are invited in the form of regular manuscripts. Papers must conform to the policy format and style specified at [www.AIDAA2017.com](http://www.AIDAA2017.com). Extended abstract and manuscripts should be submitted as PDF document by using the online submission systems. All manuscripts should be written in English.

Papers must be characterized by theoretical, numerical and experimental new developments and results in all areas of aerospace science and technology. Contributions in all fields are encouraged including, but not limited to, Aerodynamics and Fluid dynamics, Propulsion, Materials and Structures, Aerospace Systems, Flight Mechanics and Control, Space Systems and Missions.

The Scientific Committee will select also the best papers to be considered for publication in the AIDAA journal [www.aerotecnica.eu](http://www.aerotecnica.eu).

**Call For Symposia**

Delegates willing to organize a mini symposium dedicated to special topics are invited to contact the AIDAA 2017 Organizing Committee at [symposia@aidaa2017.com](mailto:symposia@aidaa2017.com).

**Exhibition of Sponsors**

Technical exhibitions will be organised during the AIDAA 2017 Conference, either at the campus of the University of Palermo (18-19 September) and at the Laboratory of Earthquake engineering and Dynamic Analysis L.E.D.A. (20-22 September) of the Kore University of Enna (choice of location at Sponsor's discretion).

Participating companies have the chance of meeting and build up targeted business and research relations and developing new partnerships between industry and academia.

Companies have the opportunities to expose their product and activities either at the Campus of the University of Palermo or at L.E.D.A areas. Support services, business room, reception desk & main entrance, will be provided.

The company logo will be advertise on the AIDAA2017 website and on the conference pack.
